## Journal of Orofacial and Health Sciences

Volume - 11, Issue - 3, Year - 2024 ([www.johs.in](http://www.johs.in))

Journal of Orofacial and Health Sciences (JOHS) is the Official Publication of DJ College of Dental Sciences & Research. Manuscripts must be prepared in accordance with “Uniform requirements” of the Journal of Orofacial and Health Sciences as per guidelines by the International Committee of Medical Journals Editors. The uniform requirements and specific requirements of JOHS are mentioned below. Before sending a manuscript contributors are requested to check for more...

### Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

### Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.johs.in/info/author> and be submitted by **2024-12-06**.

### Advertisement

The advertisement is a screenshot of a website for 'Manuscript Peer-Review Process'. The header is dark red with the logo on the left and contact information on the right: 'Email: support, editor@office@innovative.com', 'Support: +91-11-8336484, 8336415 | 9950436448 | 88'. A navigation menu includes 'About MPRP', 'Journals', 'Support and Training', 'Contact us', 'Track article status', 'Register', and 'Login'. The main content area has a light blue background and features the title 'Manuscript Peer-Review Process' in bold. Below the title is a paragraph describing the MPRP as a web-based portal accessible 24/7, offering editorial services, pre-publication services, editorial workflow, and post-publication services. To the right of the text is a circular illustration showing a person at a desk with a laptop, surrounded by icons representing various stages of the publication process. Below the illustration is another paragraph stating that MPRP manages authors, reviewers, and editors' details and integrates with social and professional networks. At the bottom, there is a section titled 'Why MPRP?' with a partially visible sentence: 'If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your'.

## Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24\*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

### Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
