## Journal of Orofacial and Health Sciences

Volume - 11, Issue - 4, Year - 2024 ([www.johs.in](http://www.johs.in))

Journal of Orofacial and Health Sciences (JOHS) is the Official Publication of DJ College of Dental Sciences & Research. Manuscripts must be prepared in accordance with “Uniform requirements” of the Journal of Orofacial and Health Sciences as per guidelines by the International Committee of Medical Journals Editors. The uniform requirements and specific requirements of JOHS are mentioned below. Before sending a manuscript contributors are requested to check for more...

### Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

### Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.johs.in/info/author> and be submitted by 2025-02-02.

The advertisement is a screenshot of a website for 'Manuscript Peer-Review Process'. The header includes the logo, contact information (Email: support@innovativepub.com, editor@office@innovativepub.com, Support: +91-11-8336404, 8136415 | 9550436448 | 88), and a navigation menu with links: About MPRP, Journals, Support and Training, Contact us, Track article status, Register, and Login. The main content area features the title 'Manuscript Peer-Review Process' and a detailed description of the service. It states that the portal is web-based and accessible 24/7, offering editorial services like pre-publication, editorial workflow, and post-publication services. It highlights flexibility in selecting services and integrating with existing workflows. A diagram illustrates the workflow with icons for author, reviewer, and editor. Below the text, it mentions that MPRP manages authors, reviewers, and editors' details and integrates with social and professional networks. It is an in-house product of Innovative Publication Pvt. Ltd. The section 'Why MPRP?' is partially visible at the bottom.

**Manuscript Peer-Review Process**

Manuscript Peer-Review Process is a web-based portal that can be accessed 24\*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is in-house product of Innovative Publication Pvt. Ltd. which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

**Why MPRP?**

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
